Subject: invasive species language

John:

With regard to your amendment request, I suggest:

Page 9, line 10: after that line insert:

" (am) A person who transports fish for use as bait in a manner authorized by a permit issued by the department of agriculture, trade, and consumer protection under s. 95.60 (2).".

As I mentioned, the final draft language might be slightly different if our editors find that a change is required. I will wait to hear from you with final instructions.

Robin
